1. Admits that this is an admiralty or maritime claim within the meaning of Rule 9(h) of Fed.R.Civ.P. in that it involves a claim for the breach of a maritime contract of charter party, and that the Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1333, and except as so admitted, denies the remainder of the allegations of Paragraph One of the Verified Complaint.

AFFIRMATIVE DEFENSES

- 23. The Verified Complaint fails to state a cause of action upon which relief may be granted.
- 24. Plaintiff has improperly and/or insufficiently served process upon Defendant.
- 25. This forum is improper because the claims asserted by Plaintiff must be resolved in London arbitration pursuant to the charter party contract.
- 26. Plaintiff's claims are grossly overstated and, therefore, the Court's ex parte order of maritime attachment should be reduced to a reasonable sum.
- 27. Pursuant to Rule E(2)(b) of the Supplemental Rules for Certain Admiralty and Maritime Claims of the Federal Rules of Civil Procedure, Defendant reserves all rights to claim against Plaintiff for the costs associated with posting substitute security to lift the ex parte order of maritime attachment.

**AS AND FOR A COUNTERCLAIM AGAINST PLAINTIFF, DEFENDANT
ALLEGES UPON INFORMATION AND BELIEF AS FOLLOWS**

- 28. This is an admiralty and maritime claim within the meaning of Rule 9(h) of the Federal Rules of Civil Procedure and 28 United States Code § 1333.
- 29. On or about November 15, 2006, Defendant, as disponent owner, and Plaintiff, as charterer, entered into a time charter party ("Sub Charter Party"), on the "Shelltime 4" charter party form, for the charter of the M/T KRISTINA THERESA ("Vessel") for a period of one year beginning November 27, 2006, and later extended the charter period with one year from

November 27, 2007. *Sub Charter Party attached hereto as Exhibit One.* Pursuant to Clause 8 of the Sub Charter Party, Plaintiff was required to pay Defendant 14 days in advance for the use of the Vessel at a hire rate of \$14,683.00 per day, and pro rata for any part of a day, from the time and date of the Vessel's delivery to Plaintiff until the time and date of redelivery to Defendant.

30. Defendant had previously become the disponent owner, *i.e.*, the chartered owner, of the Vessel by virtue of its head charter party contract dated February 10, 2006 ("Head Charter Party") on the "Shelltime 4" charter party form, for a five-year term, with a non-party named MS "PAUL SCHULTE" Schiffahrtsgesellschaft mbh & Co. KG ("Schulte"), who was the head owner of the Vessel. Under the Head Charter Party between Schulte and Defendant, the hire rate was \$12,790.00 per day, and pro rata for any part of a day, from the time and date of the Vessel's delivery to Defendant until the time and date of redelivery to Schulte.

31. The two charter parties are on back-to-back, *i.e.*, identical terms, except for the charter period and the terms concerning the rate and payment of hire.

32. Certain disputes arose between Defendant and Plaintiff regarding *inter alia* Plaintiff's breach of the Sub Charter Party by illegally and unjustifiably failing to pay hire that was due and owing to Defendant.

33. Specifically, Plaintiff wrongfully and unjustifiably declared the Vessel off-hire on or about March 19, 2008 at 17:54 hours Central European Time. At that time, Plaintiff had paid hire until March 26, 2008 through 12:00 hours. Despite due demand by Defendant for payment, Plaintiff has failed to pay outstanding hire for all periods after March 26, 2008.

34. The two charter parties had different hire payment schedules. While the Head Charter Party provided that hire would be paid monthly in advance, the Sub Charter Party provided that hire would be paid 14 days in advance. Due to the differing hire payment

schedules, and due to Plaintiff's failure to pay hire to Defendant, Defendant ceased hire payments to Schulte on April 1, 2008. Head owner, Schulte, withdrew the Vessel on April 9, 2008 at 18:09 Central European Time and placed Defendant on notice for unpaid hire. Consequently, Defendant withdrew the Vessel from Plaintiff on the same day and for the same reason.

35. As a result of Plaintiff's breach of the Sub Charter Party as described above, Defendant has sustained damages for unpaid hire from March 26, 2008 at 12:00 hours to April 9, 2008 at 18:09 hours at \$14,683 per day, *i.e.*, 14 days 06:09 hours x \$14,683 per day, in the amount of \$209,324.50.

36. Additionally, Defendant has suffered damages from Plaintiff's breach in respect of the hire differential between the Sub Charter Party rate less the Head Charter Party rate, *i.e.*, $\$14,683 - \$12,790 = \$1,893$, which differential Defendant would have earned for an additional 232 days, which was the time remaining under the Sub Charter for which Plaintiff never paid. Thus, the hire rate differential due from Plaintiff to Defendant is \$439,176 (*i.e.*, 232 days x \$1,893).

37. Furthermore, Defendant has suffered damages from Plaintiff's breach in respect of bunkers consumed by the Vessel from the time that Plaintiff wrongfully declared the Vessel off-hire until the time when Defendant withdrew the Vessel. The cost of bunkers consumed during this period, for which Plaintiff is liable, is \$51,753.12.

38. Still further, Plaintiff's unjustified declaration of off-hire and cessation of paying hire, which was the cause of the termination of the Sub Charter Party, resulted in Defendant having to incur Vessel repositioning costs in the amount of \$214,137.23. Specifically, Plaintiff left the vessel open in Cotonou, West Africa notwithstanding that it was obligated to redeliver

the Vessel to Northern Europe or Mediterranean Sea. Gibraltar was the closest redelivery point to Cotonou. The distance from Cotonou to Gibraltar is 3,096 nautical miles. At 14 knots per hour, sailing time for the Vessel is 221:09 hours or 9 days 05:09 hours at \$23,240 per day (time charter cost plus bunkers (\$12,790 + 19 mt fuel per day x \$550 pmt)). Thus, Plaintiff is liable to Defendant for damages in respect of Vessel repositioning in the amount of \$214,137.23.

39. Pursuant to the Sub Charter Party, all disputes arising thereunder are to be submitted to arbitration in London with English Law to apply. The parties are currently engaged in an ongoing London arbitration to resolve their claims and counterclaims.

40. On the basis of the foregoing, Defendant's counterclaim against Plaintiff is summarized as follows:

a.	Unpaid hire:	\$209,324.50;
b.	Unpaid hire rate differential:	\$439,176.00;
c.	Unpaid cost of bunkers consumed:	\$51,753.12;
d.	Unpaid cost of Vessel repositioning:	\$214,137.23;
e.	Interest on principal claims at 7% compounded quarterly for 3 years:	\$211,411.79;
f.	Estimated attorneys' fees and costs of prosecuting the counterclaim in London arbitration:	\$550,000.00.

As itemized above, Defendant's counterclaim against Plaintiff, inclusive of estimated recoverable interest, attorneys' fees and costs totals **\$1,675,802.60**.

41. Defendant's counterclaim concerns *inter alia* Plaintiff's breach of the Sub Charter Party, which contract also forms the basis for Plaintiff's suit against Defendant. The issues of whether the Vessel was off-hire beginning on or about March 19, 2008, and which party was responsible for breaching the charter, are common to both Plaintiff's claim and Defendant's

counterclaim. Therefore, this counterclaim arises from the same transaction that forms the basis of Plaintiff's claim.

42. While reserving all of its rights and defenses, Defendant has posted, or will soon post, substitute security in the form of a bank guarantee or surety bond to Plaintiff in the amount of \$7,654,605.84 in order to relieve itself of the burden of the ex parte order of maritime attachment obtained by Plaintiff in this case.

43. Defendant's counterclaim has not been secured by Plaintiff. For this reason, Defendant seeks from this Honorable Court an order pursuant to Rule E(7) of the Supplemental Rules for Certain Admiralty and Maritime Claims of the Federal Rules of Civil Procedure directing Plaintiff to post countersecurity in favor of Defendant in the amount of **\$1,675,802.60**.

WHEREFORE, Defendant prays that a Judgment be entered dismissing the Verified Complaint herein and that it be awarded judgment in its favor against Plaintiff on its counterclaim; that it also be awarded all costs, expenses and attorneys' fees incurred in connection with the defense of this action and counterclaim; and this Court grant such other, further and different relief as may be just and proper in the premises, including but not limited to an award of countersecurity pursuant to Rule E(7) of the Supplemental Rules for Certain Admiralty and Maritime Claims of the Federal Rules of Civil Procedure in its favor in the amount of **\$1,675,802.60**.

Instructions And Logs	12. Charterers shall from time to time give the master all requisite instructions and sailing directions, and the master shall keep a full and correct log of the voyage or voyages, which Charterers or their agents may inspect as required. The master shall when required furnish Charterers or their agents with a true copy of such log and with properly completed loading and discharging port sheets and voyage reports for each voyage and other returns as Charterers may require. Charterers shall be entitled to take copies at Owners' expense of any such documents which are not provided by the master.	218 219 220 221 222 223 224
Bills of Lading	13. (a) The master (although appointed by Owners) shall be under the orders and direction of Charterers as regards employment of the vessel, agency and other arrangements, and shall sign Bills of Lading as Charterers or their agents may direct (subject always to Clauses 35 (c) and 40) without prejudice to this charter. Charterers hereby indemnify Owners against all consequences or liabilities that may arise: (i) from signing Bills of Lading in accordance with the directions of Charterers or their agents, to the extent that the terms of such Bills of Lading fail to conform to the requirements of this charter, or (except as provided in Clause 13 (b)) from the master otherwise complying with Charterers' or their agents' orders; (ii) from any irregularities in papers supplied by Charterers or their agents. (b) If Charterers by telex, facsimile or other form of written communication that specifically refers to this Clause request Owners to discharge a quantity of cargo with or without Bills of Lading and/or at a discharge place other than that named in a Bill of Lading and/or that is different from the Bill of Lading quantity, then Owners shall discharge such cargo in accordance with Charterers' instructions in consideration of receiving the following indemnity which shall be deemed to be given by Charterers on each and every such occasion and which is unlimited in value to 200% of the CIF value of the cargo carried on board: (i) Charterers shall indemnify Owners and Owners' servants and agents in respect of any liability loss or damage of whatsoever nature (including legal costs as between attorney or solicitor and client and associated expenses) which Owners may sustain by reason of delivering such cargo in accordance with Charterers' request. (ii) If any proceeding is commenced against Owners or any of Owners' servants or agents in connection with the vessel having delivered cargo in accordance with such request, Charterers shall provide Owners or any of Owners' servants or agents from time to time on demand with sufficient funds to defend the said proceedings. (iii) If the vessel or any other vessel or property belonging to Owners should be arrested or detained, or if the arrest or detention thereof should be threatened, by reason of discharge in accordance with Charterers' instruction as aforesaid, Charterers shall provide on demand such bail or other security as may be required to prevent such arrest or detention or to secure the release of such vessel or property and Charterers shall indemnify Owners in respect of any loss, damage or expenses caused by such arrest or detention whether or not same may be justified. (iv) Charterers shall, if called upon to do so at any time while such cargo is in Charterers' possession, custody or control, redeliver the same to Owners. (v) As soon as all original Bills of Lading for the above cargo which name as discharge port the place where delivery actually occurred shall have arrived and/or come into Charterers' possession, Charterers shall produce and deliver the same to Owners whereupon Charterers' liability hereunder shall cease. Provided however, if Charterers have not received all such original Bills of Lading by 24.00 hours on the day 36 calendar months after the date of discharge, that this indemnity shall terminate at that time unless before that time Charterers have received from Owners written notice that: aaa) Some person is making a claim in connection with Owners delivering cargo pursuant to Charterers request or, bbb) Legal proceedings have been commenced against Owners and/or carriers and/or Charterers and/or any of their respective servants or agents and/or the vessel for the same reason. When Charterers have received such a notice, then this indemnity shall continue in force until such claim or legal proceedings are settled. Termination of this indemnity shall not prejudice any legal rights a party may have outside this indemnity. (vi) Owners shall promptly notify Charterers if any person (other than a person to whom Charterers ordered cargo to be delivered) claims to be entitled to such cargo and/or if the vessel or any other property belonging to Owners is arrested by reason of any such discharge of cargo. This indemnity shall be governed and construed in accordance with the English law and each and any dispute arising out of or in connection with this indemnity shall be subject to the jurisdiction of the High Court of Justice of England. If the complaint proves to be well founded, Owners shall, without undue delay, make a change in the appointments and Owners shall in any event communicate the result of their investigations to Charterers as soon as possible.	282
Bunkers at Delivery and Redelivery	15. Charterers shall accept and pay for all bunkers on board at the time of delivery, and Owners shall on redelivery (whether it occurs at the end of the charter or on the earlier termination of this charter) accept and pay for all bunkers remaining on board, at the price actually paid, on a "first-in-first-out" basis. Such prices are to be supported by paid invoices. Stevedores, Pilots, Tugs	16. Stevedores, when required, shall be employed and paid by Charterers, but this shall not relieve Owners from responsibility at all times for proper stowage, which must be controlled by the master who shall keep a strict account of all cargo loaded and discharged. Owners hereby indemnify Charterers, their servants and agents against all losses, claims, responsibilities and liabilities arising in any way whatsoever from the employment of pilots, tugboats or stevedores, who although employed by Charterers shall be deemed to be the servants of and in the service of Owners and under their instructions (even if such pilots, tugboat personnel or stevedores are in fact the servants of Charterers, their agents or any affiliated company); provided, however, that: (a) the foregoing indemnity shall not exceed the amount to which Owners would have been entitled to limit their liability if they had themselves employed such pilots, tugboats or stevedores; and; (b) Charterers shall be liable for any damage to the vessel caused by or arising out of the use of stevedores, fair wear and tear excepted, to the extent that Owners are unable by the exercise of due diligence to obtain redress therefor from stevedores.	297 298 299 300 301 302 303 304 305 306 307 308 309 310

Additionally Charterers may assign or sub-charter the vessel to any company of the Royal Dutch-Shell Group of Companies.	315 316 317
	19. If when a payment of hire is due hereunder Charterers reasonably expect to redeliver the vessel before the next payment of hire would fall due, the hire to be paid shall be assessed on Charterers' reasonable estimate of the time necessary to complete Charterers' programme up to redelivery, and from which estimate Charterers may deduct amounts due or reasonably expected to become due for: (a) disbursements on Owners' behalf or charges for Owners' account pursuant to any provision hereof; and; (b) bunkers on board at redelivery pursuant to Clause 15. Promptly after redelivery any overpayment shall be refunded by Owners or any underpayment made good by Charterers. If at the time this charter would otherwise terminate in accordance with Clause 4 the vessel is on a ballast voyage to a port of redelivery or is upon a laden voyage, Charterers shall continue to have the use of the vessel at the same rate and conditions as stand herein for as long as necessary to complete such ballast voyage, or to complete such laden voyage and return to a port of redelivery as provided by this charter, as the case may be.	318 319 320 321 322 323 324 325 326 327 328 329 330 331

		(iv) due to any delay in quarantine arising from the master, officers or crew having had communication with the shore at any infected area without the written consent or instructions of Charterers or their agents, or to any detention by customs or other authorities caused by smuggling or other infraction of local law on the part of the master, officers, or crew; or	355 356 357 358 359
		(v) due to detention of the vessel by authorities at home or abroad attributable to legal action against or breach of regulations by the vessel, the vessel's owners, or Owners (unless brought about by the act or neglect of Charterers); then;	360 361 362
		without prejudice to Charterers' rights under Clause 3 or to any other rights of Charterers hereunder, or otherwise, the vessel shall be off-hire from the commencement of such loss of time until she is again ready and in an efficient state to resume her service from a geographical position not less favourable to Charterers than that at which such loss of time commenced; provided, however, that any service given or distance made good by the vessel whilst off-hire shall be taken into account in assessing the amount to be deducted from hire.	363 364 365 366 367 368
		(b) If the vessel fails to proceed at any guaranteed speed pursuant to Clause 24, and such failure arises wholly or partly from any of the causes set out in Clause 21(a) above, then the period for which the vessel shall be off-hire under this Clause 21 shall be the difference between;	369 370 371
		(i) the time the vessel would have required to perform the relevant service at such guaranteed speed; and;	372 373

		For the avoidance of doubt, all time included under (i) above shall be excluded from any computation under Clause 24.	376 377
		(c) Further and without prejudice to the foregoing, in the event of the vessel deviating (which expression includes without limitation putting back, or putting into any port other than that to which she is bound under the instructions of Charterers) for any cause or purpose mentioned in Clause 21(a), the vessel shall be off-hire from the commencement of such deviation until the time when she is again ready and in an efficient state to resume her service from a geographical position not less favourable to Charterers than that at which the deviation commenced; provided, however, that any service given or distance made good by the vessel whilst so off-hire shall be taken into account in assessing the amount to be deducted from hire. If the vessel, for any cause or purpose mentioned in Clause 21 (a), puts into any port other than the port to which she is bound on the instructions of Charterers, the port charges, pilotage and other expenses at such port shall be borne by Owners. Should the vessel be driven into any port or anchorage by stress of weather hire shall continue to be due and payable during any time lost thereby.	378 379 380 381 382 383 384 385 386 387 388 389
		(d) If the vessel's flag state becomes engaged in hostilities, and Charterers in consequence of such hostilities find it commercially impracticable to employ the vessel and have given Owners written notice thereof then from the date of receipt by Owners of such notice until the termination of such commercial impracticability the vessel shall be off-hire and Owners shall have the right to employ the vessel on their own account.	390 391 392 393 394
		(e) Time during which the vessel is off-hire under this charter shall count as part of the charter, period except where Charterers declare their option to add off-hire periods under Clause 4 (b).	395 396

On each occasion Owners shall propose to Charterers a date on which they wish to drydock the vessel, not less than 1 month, subject always to vessel's fixed program, before such date, unless there is an emergency case, and Owners shall nominate a port for such periodical drydocking and Charterers shall take all reasonable steps to make the vessel available as near to	399 400 401 402

such date and port as practicable.

Owners shall put the vessel in drydock at their expense as soon as practicable after Charterers place the vessel at Owners' disposal clean of cargo other than tank washings and residues. Owners shall be responsible for and pay for the disposal into reception facilities of such tank washings and residues and shall have the right to retain any monies received therefor, without prejudice to any claim for loss of cargo under any B/L of Lading or this charter.

(b) If a periodical drydocking is carried out in the port offered by Charterers (which must have suitable accommodation for the purpose and reception facilities for tank washings and residues), the vessel shall be off-hire from the time she arrives at such port until drydocking is completed and she is in every way ready to resume Charterers' service and is at the position at which she went off-hire or a position no less favourable to Charterers, whichever she first attains. However:

(i) provided that Owners exercise due diligence in gas-freeing, any time lost in gas-freeing to the standard required for entry into drydock for cleaning and painting the hull shall not count as off-hire, whether lost on passage to the drydocking port or after arrival there (notwithstanding Clause 21), and;

(ii) any additional time lost in further gas-freeing to meet the standard required for hot work or entry to cargo tanks shall count as off-hire, whether lost on passage to the drydocking port or after arrival there.

Any time which, but for sub-Clause (i) above, would be off-hire, shall not be included in any calculation under Clause 24.

The expenses of gas-freeing, including without limitation the cost of bunkers, shall be for Owners' account.

(c) If Owners require the vessel, instead of proceeding to the offered port, to carry out periodical drydocking at a special port selected by them, the vessel shall be off-hire from the time when she is released to proceed to the special port until she next presents for loading in accordance with Charterers' instructions, provided, however, that Charterers shall credit Owners with the time which would have been taken on passage at the service speed had the vessel not proceeded to drydock. All fuel consumed shall be paid for by Owners but Charterers shall credit Owners with the value of the fuel which would have been used on such notional passage calculated at the guaranteed daily consumption for the service speed, and shall further credit Owners with any benefit they may gain in purchasing bunkers at the special port.

(d) Charterers shall, insofar as clearing for periodical drydocking may have reduced the amount of tank cleaning necessary to meet Charterers' requirements, credit Owners with the value of any bunkers which Charterers calculate to have been saved thereby, whether the vessel drydocks at an offered or a special port.

23. Charterers shall have the right at any time during the charter period to make such inspection of the vessel as they may consider necessary. This right may be exercised as often and at such intervals as Charterers in their absolute discretion may determine and whether the vessel is in port or on passage. Owners affording all necessary co-operation and accommodation on board provided, however:

(a) that neither the exercise nor the non-exercise, nor anything done or not done in the exercise or non-exercise, by Charterers of such right shall in any way reduce the master's or Owners' authority over, or responsibility to Charterers or third parties for, the vessel and every aspect of her operation, nor increase Charterers' responsibilities to Owners or third parties for the same;

(b) that Charterers shall not be liable for any act, neglect or default by themselves, their servants or agents in the exercise or non-exercise of the aforesaid right.

24. (a) Owners advise that the speed and consumption of the vessel shall be as follows:

Owners warrant vessel's speed of _____ knots in laden condition and _____ knots in ballast condition on 10 metric tons IFO for main engine.

Average speed in knots	Maximum average bunker consumption per day	
	main propulsion	auxiliaries
	fuel oil/diesel oil	fuel oil/diesel oil
Laden	tonnes	tonnes
_____	_____	_____
_____	_____	_____
_____	_____	_____
Ballast	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

The foregoing bunker consumptions are for all purposes except cargo heating and tank cleaning and Ballasting and deballasting and shall be pro-rated between the speeds shown.

The service speed of the vessel is 13 knots laden and 14 knots in ballast and in the absence of Charterers' orders to the contrary the vessel shall proceed at the service speed. However if more than one laden and one ballast speed are shown in the table above Charterers shall have the right to order the vessel to steam at any speed within the range set out in the table (the "ordered speed").

If the vessel is ordered to proceed at any speed other than the highest speed shown in the table, and the average speed actually attained by the vessel during the currency of such order exceeds such ordered speed plus 0.5 knots (the "maximum recognized speed"), then for the purpose of establishing a decrease of hire under this Clause 24 the maximum recognized speed shall be used in place of the average speed actually attained.

For the purposes of this charter the "guaranteed speed" at any time shall be the then current ordered speed or the service speed, as the case may be.

The average speeds and bunker consumptions shall for the purposes of this Clause 24 be calculated by reference to the observed distance from port station to port station on all sea passages during each period stipulated in Clause 24 (c), but excluding any time during which the vessel is (or but for Clause 24 (b) (i) would be) off-hire and also excluding "Adverse Weather Periods", being:

- (i) any periods during which reduction of speed is necessary for safety in congested waters or in poor visibility;
- (ii) any days, noon to noon, when winds exceed force 4 or on the Beaufort Scale for more than 12 hours.

(b) If during any year, from the date on which the vessel enters service (anniversary to anniversary) the vessel falls below or exceeds the performance guaranteed in Clause 24 (a) then if such shortfall or excess results:

(i) from a reduction or an increase in the average speed of the vessel, compared to the speed guaranteed in Clause 24 (a), then an amount equal to the value at the hire rate of the time so lost or gained, as the case may be shall be included in the performance calculation, deducted from the hire paid;

(ii) from an increase or a decrease in the total bunkers consumed, compared to the total bunkers which would have been consumed had the vessel performed as guaranteed in Clause 24 (a), an amount equivalent to the value of the additional bunkers consumed or the bunkers saved, as the case may be, based on the average price paid by Charterers for the vessel's bunkers in such period, shall be included in the performance calculation, deducted from the hire paid.

The results of the performance calculation, deduction from hire so calculated for laden and ballast mileage, respectively shall be adjusted to take into account the mileage steamed in each such condition during Adverse Weather Periods, by dividing such addition or deduction by the number of miles over which the performance has been calculated and multiplying by the same number of miles plus the miles steamed during the Adverse Weather Periods, in order to establish the total performance calculation, deduction for such period.

Reduction of hire under the foregoing sub-Clause (b) shall be without prejudice to any other remedy available to Charterers.

(c) Calculations under this Clause 24 shall be made as per Clause 24 for the yearly periods terminating on each successive anniversary of the date on which the vessel enters service, and for the period between the last such anniversary and the date of termination of this charter if less than a year. Claims in respect of reduction of hire arising under this Clause during the final year or part year of the charter period shall in the first instance be settled in accordance with Charterers' estimate made two months before the end of the charter period. Any necessary adjustment after this charter terminates shall be made by payment by Owners to Charterers or by Charterers to Owners as the case may require.

(d) Owners and Charterers agree that this Clause 24 is assessed on the basis that Owners are not entitled to additional hire for performance in excess of the speeds and consumptions given in this Clause 24.

Salvage

25. Subject to the provisions of Clause 21 hereof, all loss of time and all expenses (excluding any damage to or loss of the vessel or tortious liabilities to third parties) incurred in saving or attempting to save life or in successful or unsuccessful attempts at salvage shall be borne equally by Owners and Charterers provided that Charterers shall not be liable to contribute towards any salvage payable by Owners arising in any way out of services rendered under this Clause 25. All salvage and all proceeds from derelicts shall be divided equally between Owners and Charterers after deducting the master's, officers' and crew's share.

Lien

26. Owners shall have a lien upon all cargoes and all freights, sub-freights and demurrage for any amounts due under this charter; and Charterers shall have a lien on the vessel for all monies paid in

		advance and not earned, and for all claims for damages arising from any breach by Owners of this charter.	524
Exception	27.	(a) The vessel, her master and Owners shall not, unless otherwise in this charter expressly provided, be liable for any loss or damage or delay or failure arising or resulting from any act, neglect or default of the master, pilots, mariners or other servants of Owners in the navigation or management of the vessel; fire, unless caused by the actual fault or privity of Owners; collision or stranding; dangers and accidents of the sea; explosion, bursting of boilers, breakage of shafts or any latent defect in hull, equipment or machinery; provided, however, that Clauses 1, 2, 3 and 24 hereof shall be unaffected by the foregoing. Further, neither the vessel, her master or Owners, nor Charterers shall, unless otherwise in this charter expressly provided, be liable for any loss or damage or delay or failure in performance hereunder arising or resulting from act of God, act of war, seizure under legal process, quarantine restrictions, strikes, lock-outs, riots, restraints of labour, civil commotions or arrest or restraint of princes, rulers or people.	525 526 527 528 529 530 531 532 533 534 535 536

		(ii) any claim (whether brought by Charterers or any other person) arising out of any loss of or damage to or in connection with cargo. Any such claim shall be subject to the Hague-Visby Rules or the Hague Rules or the Hamburg Rules, as the case may be, which ought pursuant to Clause 38 hereof to have been incorporated in the relevant Bill of Lading (whether or not such Rules were so incorporated) or, if no such Bill of Lading is issued, to the Hague-Visby Rules unless the Hamburg Rules compulsorily apply in which case to the Hamburg Rules.	545 546 547 548 549 550 551 552
		(d) In particular and without limitation, the foregoing subsections (a) and (b) of this Clause shall not apply to or in any way affect any provision in this charter relating to off-hire or to reduction of hire.	553 554 555
Injurious Cargoes	28.	No acids, explosives or cargoes injurious to the vessel shall be shipped and without prejudice to the foregoing any damage to the vessel caused by the shipment of any such cargo, and the time taken to repair such damage, shall be for Charterers' account. No voyage shall be undertaken, nor any goods or cargoes loaded, that would expose the vessel to capture or seizure by rulers or governments.	556 557 558 559
Grade of Bunkers	29.	Charterers shall supply fuel oil with a maximum viscosity of 380 centistokes at 50 degrees centigrade according to RMC-35 and for marine diesel oil for main propulsion and marine diesel oil for auxiliary with a maximum viscosity of _____ centistokes at 50 degrees centigrade and/or diesel oil for the auxiliaries. If Owners require the vessel to be supplied with more expensive bunkers they shall be liable for the extra cost thereof.	560 561 562 563 564
		Charterers warrant that all bunkers provided by them in accordance herewith shall be of a quality complying with ISO Standard 8217 (latest version) for Marine Residual Fuels and Marine Distillate Fuels as applicable.	565 566
Disbursements	30.	Should the master require advances for ordinary disbursements at any port, Charterers or their agents shall make such advances to him, in consideration of which Owners shall pay a commission of two and a half per cent, and all such advances and commission shall be deducted from hire.	567 568 569 570
Laying-up	31.	Charterers shall have the option, after consultation with Owners, of requiring Owners to lay up the vessel at a safe place nominated by mutually agreed between Owners and Charterers, in which case the hire provided for under this charter shall be adjusted to reflect any net increases in expenditure reasonably incurred or any net saving which should reasonably be made by Owners as a result of such lay up. Charterers may exercise the said option any number of times during the charter period.	571 572 573 574 575
	32.	Should the vessel be requisitioned by any government, de facto or de jure, during the period of this charter, the vessel shall be off-hire during the period of such requisition, and any hire paid by such governments in respect of such requisition period shall be for Owners' account. Any such requisition period shall count as part of the charter period.	576 577 578 579
Outbreak of War	33.	If war or hostilities break out between any two or more of the following countries: U.S.A., the countries or republics having been part of the former U.S.S.R (except that declaration of war or hostilities solely between any two or more of the countries or republics having been part of the former USSR shall be exempted), F.R.G., U.K., Netherlands, Germany then both Owners and Charterers shall have the right to cancel this charter.	580 581 582 583
Additional	34.	If the vessel is ordered to trade in areas where there is war, the charter party shall be terminated.	584

		Charterers shall reimburse Owners for any additional insurance premium, crew bonuses and other expenses which are reasonably actually incurred by Owners as a consequence of such orders, provided that Charterers are given notice of such expenses as soon as practicable and in any event before such expenses are incurred, and provided further that Owners obtain from their insurers a waiver of any subrogated rights against Charterers in respect of any claims by Owners under their war risk insurance arising out of compliance with such orders.	588
		Any payments by Charterers under this clause will only be made against proven documentation. Any discount or rebate refunded to Owners, for whatever reason, in respect of additional war risk premium shall be passed on to Charterers.	591
War Risks	35.	(a) The master shall not be required or bound to sign Bills of Lading for any place which in his or Owners' reasonable opinion is dangerous or impossible for the vessel to enter or reach owing to any blockade, war, hostilities, warlike operations, civil war, civil commotions or revolutions.	593
		(b) If in the reasonable opinion of the master or Owners it becomes, for any of the reasons set out in Clause 35(a) or by the operation of international law, dangerous, impossible or prohibited for the vessel to reach or enter, or to load or discharge cargo at, any place to which the vessel has been ordered pursuant to this charter (a "place of peril"), then Charterers or their agents shall be immediately notified in writing or by radio messages, and Charterers shall thereupon have the right to order the cargo, or such part of it as may be affected, to be loaded or discharged, as the case may be, at any other place within the trading limits of this charter (provided such other place is not itself a place of peril). If any place of discharge is or becomes a place of peril, and no orders have been received from Charterers or their agents within 48 hours after dispatch of such messages, then Owners shall be at liberty to discharge the cargo or such part of it as may be affected at any place which they or the master may in their or his discretion select within the trading limits of this charter and such discharge shall be deemed to be due fulfillment of Owners' obligations under this charter so far as cargo so discharged is concerned.	594
		(c) The vessel shall have liberty to comply with any directions or recommendations as to departure, arrival, routes, ports of call, stoppages, destinations, zones, waters, delivery or in any other wise whatsoever given by the government of the state under whose flag the vessel sails or any other government or local authority or by any person or body acting or purporting to act as or with the authority of any such government or local authority including any de facto government or local authority or by any person or body acting or purporting to act as or with the authority of any such government or local authority or by any committee or person having under the terms of the war risks insurance on the vessel the right to give any such directions or recommendations, if by reason of or in compliance with any such directions or recommendations anything is done or is not done, such shall not be deemed a deviation. If by reason of or in compliance with any such direction or recommendation the vessel does not proceed to any place of discharge to which she has been ordered pursuant to this charter, the vessel may proceed to any place which the master or Owners in his or their discretion select and there discharge the cargo or such part of it as may be affected. Such discharge shall be deemed to be due fulfillment of Owners' obligations under this charter so far as cargo so discharged is concerned.	595
		Charterers shall procure that all Bills of Lading issued under this charter shall contain the Chamber of Shipping War Risks Clause 1952.	596
Both to Blame Collision Clause	36.	If the liability for any collision in which the vessel is involved while performing this charter falls to be determined in accordance with the laws of the United States of America, the following provision shall apply: "If the ship comes into collision with another ship as a result of the negligence of the other ship and any act, neglect or default of the master, mariner, pilot or the servants of the carrier in the navigation or in the management of the ship, the owners of the cargo carried hereunder will indemnify the carrier against all loss, or liability to the other or non-carrying ship or her owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of the said cargo, paid or payable by the other or non-carrying ship or her owners to the owners of the said cargo and set off, recouped or recovered by the other or non-carrying ship or her owners as part of their claim against the carrying ship or carrier." "The foregoing provisions shall also apply where the owners, operators or those in charge of any ship or ships or objects other than, or in addition to, the colliding ships or objects are at fault in respect of a collision or contact." 		"In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the carrier is not responsible by statute, contract or otherwise, the cargo, shippers, consignees or owners of the cargo shall contribute with the carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the cargo."	660
		"If a salving ship is owned or operated by the carrier, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the carrier or his agents may deem sufficient to cover the estimated contribution of the cargo and any salvage and special charges thereon shall, if required, be made by the cargo, shippers, consignees or owners of the cargo to the carrier before delivery."	661
		Charterers shall procure that all Bills of Lading issued under this charter shall contain a provision in the foregoing terms, to be applicable where adjustment of general average is made in accordance with the laws and practice of the United States of America.	662

Nothing therein contained shall be deemed to be either a surrender by the carrier of any of his rights or immunities or an increase of any of his responsibilities or liabilities under the Hamburg Rules."	666
		"(4) If any term of this Bill of Lading is repugnant to the Hague-Visby Rules, or Hague Rules, or Hamburg Rules, as applicable, such term shall be void to that extent but no further."	667
